## What Does Koinonia Mean to Me?

Koinonia was a word that if I heard I would turn and walk the other way. I didn't want any part of it, nor did I need it. Now looking back 5 years from the 1st one I did attend its one of the best things I have done for myself and also my family. The weekend of Koinonia is one of my favorite weekends of the year and it keeps getting better. Do yourself a favor and join us. When that person keeps coming to you year after year, its for a reason. They want for you to share the weekend with them and growing the Koinonia family.
